

## SPONSORSHIP QUICKSHEET

Hello and Welcome from all of us at BSidesDFW.

For those of you who are new to Security BSides, thank you for finding us. For those who are returning, it is great to see you again.

We are thrilled to be preparing for the 17th year of BSidesDFW - a milestone that reflects the passion and strength of our community. What began in 2009 as a grassroots effort to create an inclusive space for open conversation within the empathetic world has grown into a global movement, and our local chapter is proud to be a part of that journey.

This year, we're celebrating new beginnings as well as our continued commitment to curiosity, collaboration and community. Whether you're a seasoned security veteran or attending your very first BSides, this is a place to share knowledge, challenge assumptions, and connect with others passionate about the future of security and technology. Get ready for thought-provoking talks, hands-on workshops, hallway con magic, and maybe a few surprises along the way.

As always, this event is made possible by our dedicated volunteers, gracious speakers, individual donors and generous sponsors. Please join us in creating the Next Big Thing!

We hope that you will take the time to review the information we have prepared for you, and consider sponsoring this community event. While we have listed some common items and levels in the packet, we're happy to entertain other offers as well. Please do not hesitate to contact us if you have any questions or requests. You can reach us via email at [BSidesDFW@gmail.com](mailto:BSidesDFW@gmail.com).

Thank you for your time and your consideration.
